PHOTOGRAPH GUIDELINES AND REQUIREMENTS

Please reference the photograph submission guidelines below to complete the CKC Inc. Non-Purebred Canine Registration Application on the opposite side. Failure to submit proper photographs to represent the applicant canine will result in an incomplete registration process, requiring that additional information be submitted which may cause a delay in the receipt of registration documentation.

- o A minimum of three (3) photographs must be submitted along with the application for registration.
- o Photographs submitted must include the following views of the applicant canine represented for registration:
 - one full left side**
 - one full right side**
 - one full frontal view**
- o All submitted photos must be from the same photo session.
- o Photos must be taken from eye level with the dog.
(No pictures taken from an overhead angle, diagonal angle, or with the dog turning or moving will be accepted.)
- o The dog must be standing in all photos.
- o No part of the dog can be cut off in any of the photos.
- o The dog should take up 75% of each photo (no long range photos).
- o For breeds that require a long or curly coat, the dog's coat must be in that state and groomed (not shaved or short).
- o Dogs in the photographs should appear in good condition with the coat neat, clean, and free of any obvious diseases, disorders, or parasites.
- o The application/photographs may not be emailed, must be sent by mail.

The following photographs will NOT be accepted:

- × Photographs that are blurry, grainy, too dark, too bright, black and white photos, or discolored photographs
- × Dogs that are being held in arms, restrained, dogs that are sitting, or dogs that are lying down
- × Pictures of dogs that are behind obstructions such as fences, kennels, fence post, tall grass, etc.
- × Photographs in which a dog has been completely shaved (excluding sporting clips, puppy clips, and sanitary clips of breeds in which coat types and lengths can still be determined)
